FLY BETTER – THE EMIRATES JOURNEY

Dubai, 1984...a dream takes flight.

Hello, I'm Veronica – your guide through Emirates' incredible story

With just \$10 million and one mission: *fly better.*

October 25, 1985 – Emirates' first flight to Karachi takes off.

They even filled seats with staff so it wouldn't look empty!

1987 — Emirates buys its first aircraft, an Airbus A310.

1992 – Personal screens in every seat,

**1992 – A bold order for 7 Boeing 777s
signals long-haul ambitions.**

1993–1994 – Inflight phones and fax connect passengers at 35 000 ft.

1998 – Emirates takes a stake in Air Lanka (SriLankan Airlines).

By 1999 –
4.7 million
passengers.

Fifteen years in:
50 cities
connected
worldwide.

2000 — Emirates orders
the Airbus A380, a
giant leap of faith.

2004 — First U.S. route
launches: Dubai ↔
New York (JFK).

2004 – Emirates Stadium in London takes flight as a global brand icon.

2005 – Record order:
42 Boeing 777s

2007 – First service to South America

2008 – Terminal 3 opens: a dedicated home for Emirates

August 1, 2008 – Emirates' first A380 takes to the skies.

Lounges,
showers... a
whole new
world of flying.

FLY BETTER: THE EMIRATES JOURNEY

By 2009 — the world's largest Boeing 777 operator

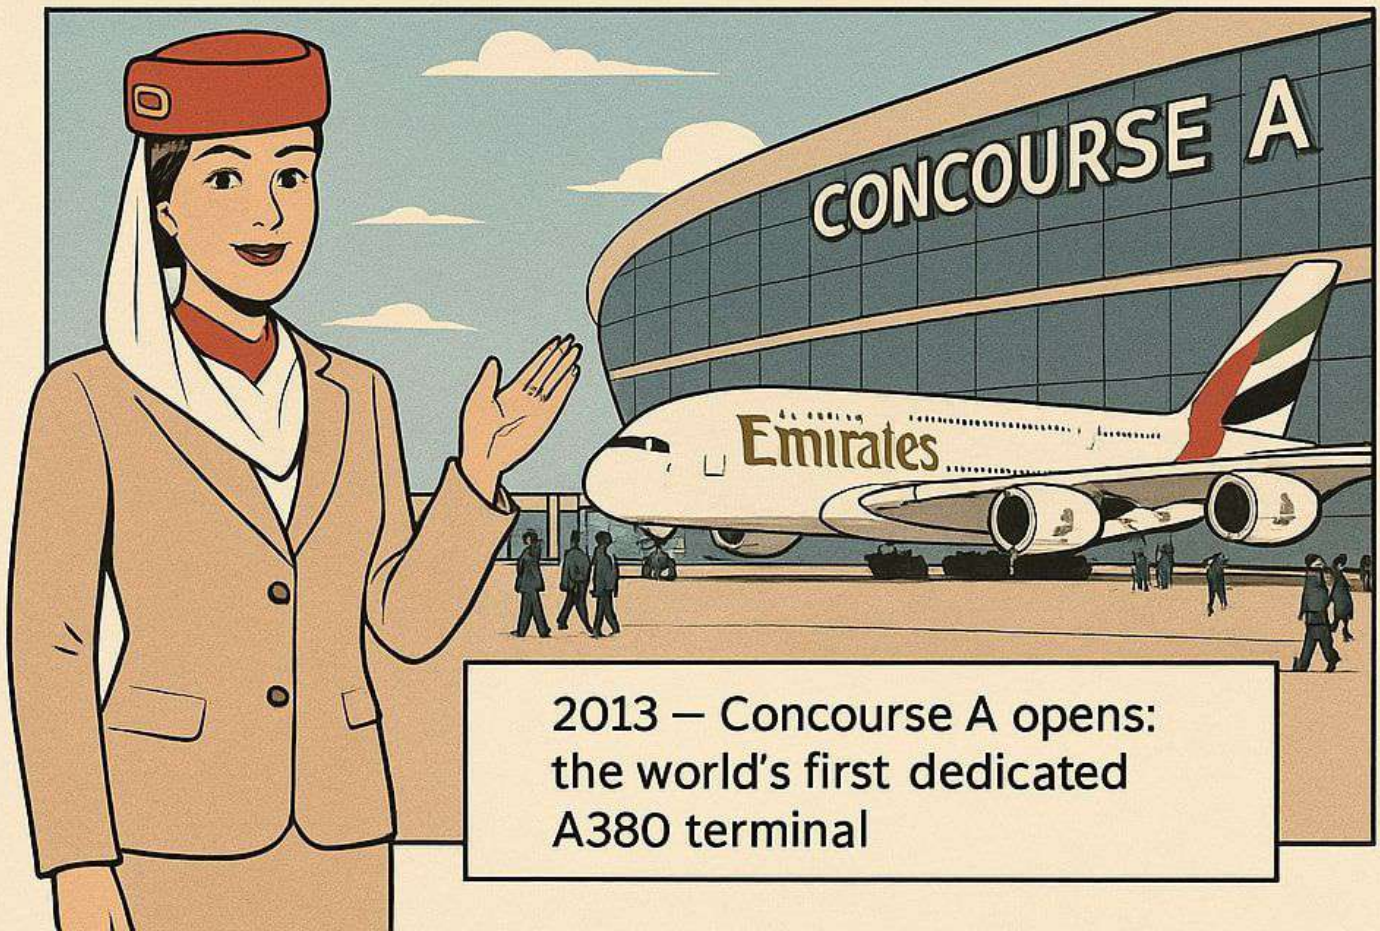

2010 — Another \$9 billion order for thirty 777-300Es

FLY BETTER THE EMIRATES JOURNEY

2012 – A landmark partnership with Qantas connects Australia via Dubai.

2013 – Concourse A opens: the world's first dedicated A380 terminal

**2014 — NAMED
THE WORLD'S
MOST VALUABLE
AIRLINE BRAND.**

Emirates

**142 DESTINATIONS
80 COUNTRIES
44,5 MILLION PASSENGERS**

SKYTRAX WORLD AIRLINE AWARDS

2016 – WORLD'S BEST AIRLINE

A female flight attendant in a Qantas uniform is pointing her right hand towards a sign that reads "FIRST CLASS". The sign is on a dark brown door or panel. The background shows the interior of an airplane cabin with rows of seats.

**FIRST
CLASS**

2017 brings fully
enclosed First Class
suites—true private
cabins.

FLY BETTER – THE EMIRATES JOURNEY

2018 – Emirates reaches Chile, completing six continents.

2019 – Guinness Record:
145 nationalities on single A380 flight

2020 — The skies
fall silent.

But Emirates adapts—
repatriation flights
and cargo lifelines.

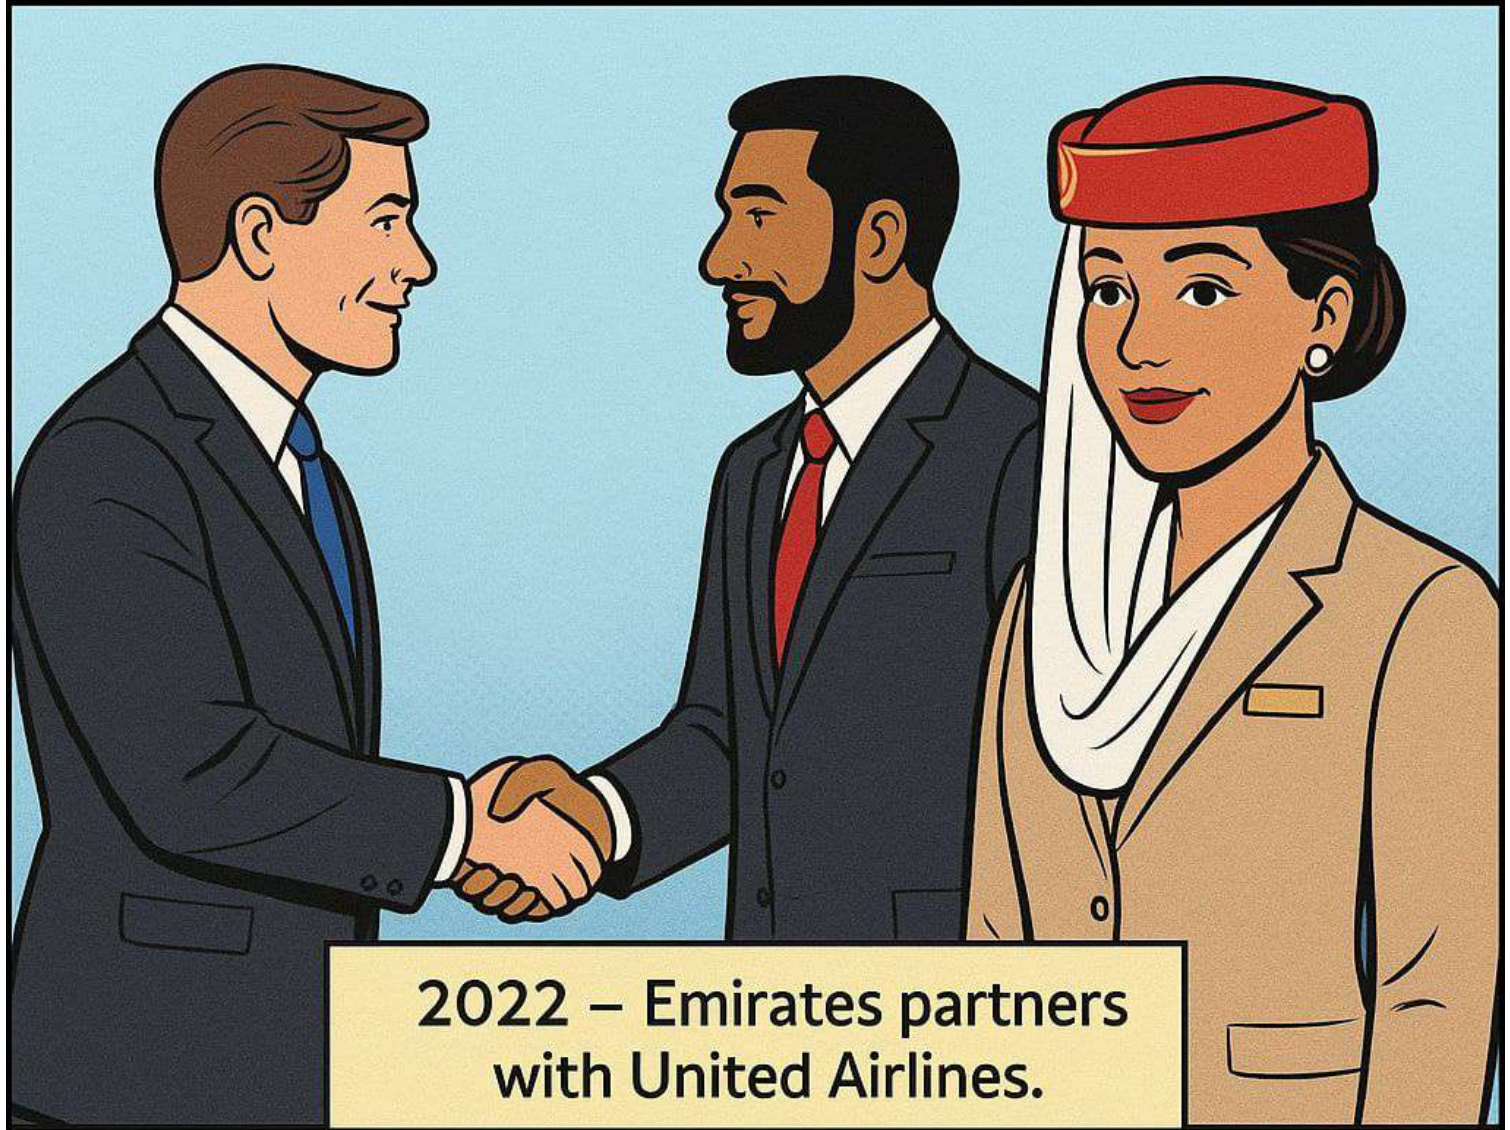

2021 – Emirates showcases aviation's future at Expo Dubai

December 2021 – The final A380 ever built joins the fleet

**2023 — First 100% SAF
test flight in the
Middle East.**

**2023 — Over \$58 billion in
new wide-body orders
secure the next era.**

2025 — Dubai plans
the world's largest
mega-hub at Al
Maktoum (DWC).

From two jets
to global skies ...
the journey is just
beginning.
